

National High School Baseball Coaches Association

P. O. 12843

Tempe, Arizona 85284

We are in the planning stages for our 2010 NHSBCA **Baseball Clinic**, which will be held in Nashville, Tennessee at the *Radisson Hotel at Opryland*, December 2-5, 2010. Again, we will be having our *High School Baseball Clinic and Trade Show* supporting our association.

It is our feeling that your booths, products and services, and personal support of our organization add a great deal to the over-all positive feel of our conference, and we want you to know how important you are to the organization.

As a continuing supporter of high school baseball in America, we hope you will be at our trade show this year. We are including in this first letter a copy of the floor plan at the conference hotel, and a space rental contract with all the rates for the various spaces available. **This contract along must be returned to us by November 13th, 2010 with payment for booth** to ensure your space at this year's conference Trade Show. It is our goal to grow the trade show this year to make it larger, better, and a more fun than in years past. To do this we will be having a number of supplemental activities to enhance attendance at your booth.

Be sure and take a good look at the layout for the booths and tables be sure and select a booth location that will provide you the best exposure. Also, remember that the space allocation will again be by **first-received-first confirmed** basis, so as soon as you know you are coming be sure and return the contract to us as soon as possible to lock in the both location of your choice.

Also, as in the past, we will be having a series of drawings for prizes throughout the various seminars and instructional presentations. A vital part of the fun of our conference, these drawings rely on the support of our Trade Show vendors for prizes. Please be sure and indicate on your returned contract what your contribution will be. We will collect these prizes at the check-in table on set-up day, December 3rd.

Our *Trade Show Directors* this year, and the people who will be personally solving any and all problems which may arise during set-up, the show, and takedown, will be Mr. Dave Rasley and Mr. David Phares. We know that you will enjoy working with both Dave's this year.

If you have any questions concerning the conference or trade show, please call me directly at **602-615-0571**.

We all are looking forward to seeing you in December in Nashville, Tennessee.
